Gurudas College

Internal Examination 2021

Semester IV

Paper: ECO-G-SEC-4-1B-Economic Data Analysis and Report Writing

Answer any ten questions.

1x10

- 1. The quantitative data is technically called?
 - (i) Variable
 - (ii) Distribution
 - (iii) Attribute
 - (iv) None of these
- 2. The qualitative data is technically called?
 - (i) Variable
 - (ii) Distribution
 - (iii) Attribute
 - (iv) None of these
- 3. The first hand and unorganized form of data is called?
 - (i) Secondary data
 - (ii) Organized data
 - (iii) Primary data
 - (iv) None of these
- 4. In a histogram, the area of each rectangle is proportional to?
 - (i) The class mark of the corresponding class interval
 - (ii) The class size of the corresponding class interval
 - (iii) Frequency of the corresponding class interval
 - (iv) Cumulative frequency of the corresponding class interval
- 5. A graph of a cumulative frequency distribution is called
 - (i) Histogram
 - (ii) Frequency Polygon
 - (iii) Ogive
 - (iv) None of These
- 6. Total angles in Pie chart are?
 - (i) 360
 - (ii) 270
 - (iii) 180
 - (iv) 300

- 7. Find the mode of the call received on 7 consecutive day 11,13,11, 13,13,17,19,23,25?
 - (i) 13
 - (ii) 23
 - (iii) 25
 - (iv) 17
- 8. If the information is collected from each and every individual of the population then it is called
 - (i) Complete enumeration or census
 - (ii) Sample survey
 - (iii) Questionnaire
 - (iv) Secondary data collection
- 9. Which one of the following is not the sources of primary data in India
